Task 3 – Marketing Funnel & Conversion Performance Analysis

Future Interns – Data Science & Analytics Internship

KPI	Value
Visitors	1,096,788
Leads	139,150
Opportunities	59,752
Customers	16,426
Overall Conversion	1.50%

Key Insights

• Referral has the strongest conversion.

• Display has the weakest conversion.

• The weakest funnel stage is the clearest optimization target.

Recommendations

• Test stronger-converting channels with CAC checks.

• Improve landing-page conversion.

• Strengthen lead nurturing.

• Track conversion and revenue together.

Dataset note: simulated funnel data created for internship demonstration.
